

# "Planet Earth Needs Our Help", Poole Community Exchange East Dorset Friends of the Earth & Sustainable Dorset

*Invite you to our first*

## "Environmental Information Exchange" event.

at the **Environmental Wellbeing Hub - Dickinson Hall**  
**Parkstone United Reformed Church BH14 OJW**

**Saturday 11 April 2026 (11am-1pm)**

### The aim of this event:

- to invite BCP environmental groups, teachers, librarians, Eco-Church leaders, community groups, MPs, Councillors and BCP staff to meet informally;
- to offer a regular opportunity to share information, resources, activities;
- to get to know each other, and offer mutual/emotional support around environment and wellbeing issues in BCP.

**The first hour** will be set aside for people to book a "showcase" slot (15-20 minutes), to talk about projects and share what they are currently doing.

**The showcases at the initial event will include the hosts.**

**The second hour** will be for refreshments\* and informal "mingling".

We will request donations to cover the cost of hiring the Hall.

\* Light refreshments are provided – please bring your own if you prefer.

There is limited car parking available by the church, with more in surrounding areas, including the public car park in nearby Ashley cross. On main bus routes

**NB Please register interest and contact details to book a free place [here](https://planetearthneedsourhelp.com/environmental-information-exchange-event-registration-form/);**
